

**Join us for Our First-Ever
Ryan Home Pizza Party & Story Time
With Author/Illustrator Matt Tavares
Friday, May 17th from 5-7 pm
Noble High School Library**

This event is being co-sponsored by Noble Adult and Community Education!

This pizza party/story time, along with book pre-orders, is to raise funds for The Ryan Home Project, which is a program that supports displaced students in the Noble School District. We are also working in conjunction with the Noble Adult and Community Education (NACE) program!

Matt Tavares is a New York Times bestselling author/illustrator of children's books. We have included a list of his most popular books that are currently available for purchase that Matt has illustrated and many he has also written.

These books are available for pre-order and can be picked up at the event. The Ryan Home Project will receive 40% of the sales for any books ordered during this pre-order!

This free event will include a drawing presentation and a reading by Matt Tavares of one of his personal books. Matt will also be available to autograph your purchased books.

Bring a blanket or quilt to sit on. Pajamas are always welcome! No inflatables please!

Book Pre-Orders are due Friday, March 29th

The Order Form with "Books Available" is attached.

Please return the order form to your student's teacher and hold onto this flier for reminders of dates and email.

We will have pizza, snacks, and beverages available for purchase at the beginning of the event. If you plan to purchase pizza, please email MaureenM228@gmail.com by Wednesday, May 15th with the number of children and adults coming so we will be sure to have enough food available for everyone.

If you can't attend the event, any books purchased can be sent home with your student through their classroom.
