

Materials List For Upcycled Vintage Train Luggage Cases:

Supply List:

- One vintage train case or similar small suitcase
- 3/4 yard of 100 percent cotton main fabric
- 3/4 yard of 100 percent cotton contrasting or complimentary fabric
- 3/4 yard of medium weight interfacing--woven or non-woven
- 3/4 yard of very stiff interfacing
- One 16-ounce bottle of Aleene's Original Tacky Glue
- One 16-ounce bottle of Mod Podge - gloss or matte (your choice of finish)
- One exacto knife with three sharp blades OR three sharp straight edge razor blades such as used with box cutters
- Five one-inch sponge paint brushes
- One spray bottle filled with water
- One rag cloth (cut-up tee shirt/towel/wash cloth, etc.)
- One poster-sized piece of foam core poster board
- One soft measuring tape
- 4-inch sized sharp scissors with approximately one-inch blade
- Sharp pair of fabric shears

Optional - bring if you have it:

- One rotary cutter, mat board, and acrylic ruler
- One package of 1/8 inch to 1/4 inch rick rack in colors to compliment your fabric
- One-half yard of cotton batting used in quilting (such as Warm and Natural - any color)
