Class Materials List

Accidental Landscape Class

Accidental landscapes are meant to be spontaneous and fun to create. As you select fabrics, think generally about the scene you'd like to create. Please don't try to make an exact copy of an example. Use your memory and imagination to make a scene your own.

Finished size: approximately (because unplanned!) 10-1/2" wide by 12-1/2" long

FABRICS:

You will need: 10 to 12 different fabrics

CUT: each fabric 10" wide by 4" deep

- 1 blue fabric for the sky
- 2 purple fabrics for mountains
- 1 blue fabric IF you'd like a lake in your scene

Remaining fabrics should remind you of elements you'd like in your scene, for example:

- greens for rolling hills and meadows
- Fall colors for wooded hills
- flowery prints for meadows
- whites and icy blues for snow

GENERAL SEWING SUPPLIES:

- thread to match fabrics
- sewing machine and basic sewing supplies
- cutting mat (large mats available at NACE)
- rotary cutter
- Scissors
- lots of long pins

FINISHING THE QUILT:

Amounts to be determined when scene is almost complete

- 100% cotton batting
- 1 or more fabrics for backing, hanging sleeve, and binding

HANGING

Be thinking about how you'd like to hang your scene, for example, a dowel or wire hanger.
